The recipient of this annual honor is an individual who has given unselfishly to the Barberton community through service, over and above, but not excluding, his or her paid position. The Selection Committee looks at the nominees' total community contributions. In summary, this person has made Barberton a better place. **The recipient will be honored on Thursday, November 11, 2010**, at the Foundation's Community Recognition Dinner at Prime at Anthe's.
